## LEAVES, BRUSH & GRASS

**LEAVES** will be collected weekly, October – December and April – May. Leaves must be bagged in the paper leaf bags that were provided to you by the Borough and then placed curbside. No other method can be used or the leaves will not be collected. Paper leaf bags are available at the Borough Garage, Recycling Center, during normal business hours or on Wednesday evenings at the Library from October 1 – November 19 (limit: 20 bags per resident).

**TREE LIMBS** will be collected only during the months of March, April and September. Limbs should not be more than 6 inches in diameter and should be in bundles no longer than 4 feet in length. Limbs, logs and roots can be dropped off at the Recycling Drop-off Center year-round. **ROOTS MUST BE FREE OF DIRT.**

**CLIPPINGS, YARD WASTE AND GRASS** must be brought to the Recycling Drop-off Center either loose or bagged in paper or plastic. Residents must empty grass clippings that are in plastic bags into the specified Dumpster™. Residents may keep plastic bags for reuse or place them in the separate trash container.

"Middlesex County is definitely eco-friendly as a result of the variety of recycling programs offered to residents: curbside programs for paper, newspaper, cardboard, cans, glass and textiles, as well as yard waste, grass, household hazardous waste, electronics, paint, paper shredding and tires."

-Richard Pucci,  
Executive Director, MCIA

## SPECIAL ITEMS

**DUNELLEN'S RECYCLING DROP-OFF CENTER** is located at the Department of Public Works facility on Hall Street. **The hours of operation are 8 a.m. - 2 p.m., Monday through Saturday.** It is closed on Sundays and holidays. All items collected curbside are accepted, as well as white goods/appliances, scrap metal, auto motor oil, hardcover books and rigid plastics. Also accepted are leaves and grass (bagged in paper bags or loose) and brush. Tires are not accepted.

**METAL/WHITE GOODS/APPLIANCES** are collected curbside by appointment only on the third Wednesday of the month. Refrigerators and air conditioners are accepted. Call (732) 968-5455 to arrange for a pick-up.

## SCHOOL BOOK RECYCLING

Students throughout the County are getting hands-on recycling education with the introduction of a book recycling program sponsored by the MCIA and the County. Outdated hardcover and softcover books that can no longer be used, sold or given away are being recycled in this program. Students remove the hardcovers from the books then reap the rewards. The recycling processor pays for each ton recycled. This program is not for residential use.

## PAPER SHREDDING

Middlesex County residents are invited to recycle old documents and confidential files safely and securely at mobile shredding events scheduled throughout the year. Bring old files, receipts, bills, financial statements and any documents that have not been recycled due to confidentiality concerns and watch them get shredded on-site. Call the County Division of Solid Waste Management at (732) 745-4170 for dates and locations.
